

Activity para Login.

The screenshot shows a mobile application interface for login. At the top, there is a purple header bar with the text "firebase_login" in white. To the right of the header, the status bar shows the time as 6:27 p. m., battery at 63%, and network speed as 33.23 / 13.79 / 5.14. Below the header, the text "Account login" is displayed. There are two input fields: "Email" and "Password", each with a corresponding underline. Below the input fields, there are three buttons: a green "LOGIN" button, a red "GOOGLE" button, and a blue "FACEBOOK" button. The bottom of the screen shows the standard Android navigation bar with back, home, and recent apps icons.
